Venus, planet of good relations, stations and then will retrograde so do not take others for granted. The Moon changes sign later today but the issue of relationships may be heightened.</li> <li>16</li> <li>17 ☽ ☽ Be careful you do not rush into anything without careful consideration.</li> <li>18</li> <li>19</li> <li>20 ☽ ☽ Be practical but not stubborn in your actions and decisions.</li> <li>21</li> <li>22 ☽ ☽ Sun enters ♋ Reliable information is the key to good outcomes.</li> <li>23</li> <li>24 ☽ ☽ Energetic, Optimistic and Exciting are the traits of Sagittarius.</li> <li>25</li> <li>26 ☽ ☽ Full Moon ☽ Matters come to a head and where there has not been any concern for others, antagonism or conflict may result. Those who have been nurtured may be the ones to turn to in a time of change as you will have the energy to see things through.</li> <li>27</li> <li>28 ☽ ☽ Manipulating a situation to advantage may not have the outcomes you desire.</li> <li>29</li> <li>30 ☽ ☽ Look honestly at the matter at hand rather than trying to spin it.</li> <li>31</li> <li>1 ☽ ☽ ☽ Do the 1st and cross the 1's to minimise miscommunication and confusion.</li> <li>2 ☽ ☽ 3rd Quarter Moon ☽ Time to get to the heart of the matter and trim away what is no longer necessary. There are some who will criticize the actions but the most important part is that matters need to be discussed in preparation for the next cycle.</li> </ol> |
