We are now pleased to offer individuals, couples and partners this unparalleled opportunity for personal growth, service to others and economic security to join the *InnerSelf* Team as an *InnerSelf* franchise owner.

You'll quickly gain recognition as a community leader with something of value to offer everyone you meet. All while working flexible hours from your home or office.

EXPERIENCED SUPPORT TEAM

We're experienced, so you don't have to be. Leo Drioli and Enza Vita have been publishing pioneers for 20 years and published national magazines such as *Golden Age*, *Woman Spirit* and *Health & Wellbeing*. They established *InnerSelf* in 1993 in response to their local wholistic community's need for an effective way to share information and connect with people searching for Body, Mind, Spirit products and services.

As an *InnerSelf* newspaper franchise owner, you'll immediately team up with our creative staff. Together, we'll launch, strengthen and fine-tune every aspect of your enterprise, with editorial packages, advertising packages and ongoing support.

Authorized franchisees own the exclusive right to publish our successful newspaper format in their market, backed by the benefits of our expertise. As an *InnerSelf* franchise owner you will:

- Be in business for yourself but not by yourself.
- Take pride in ownership of your publishing business.
- Have the ability to control your own hours.
- Create job security for yourself and your family.
- Provide a valuable service that can improve peoples' lives.
- Create a voice in your community that brings people together.

TRAINING & SUPPORT

The *InnerSelf* concept is a comprehensive system that provides initial training, ongoing support and guidance to all franchise owners. Our complete training program assists you in setting up your business and making sure you get off to a good start. It covers the entire monthly publishing process, from how to request editorial and advertising submissions to submitting elements for layout.

Our training presentations and workshops address advertising sales, magazine layout, editorial, distribution, accounting and much more! Then, our headquarters support staff will work directly with you to ensure that your first issue goes to print 90 to 120 days after training.

As a *InnerSelf* franchise owner, you will:

- Be in business *for* yourself but not *by* yourself.
- Take pride in ownership of your publishing business.
